

Norwegian partner searches in Local Development projects Norway Grants 2014-2021

The Programme Operator encourages all project promoters to consider involving bilateral partners in the Norway Grants projects. This form aims to facilitate the search for Norwegian partners for Local Development projects under the Norway Grants. The filled in form can be sent to the organisation(s) you would like to cooperate with. Or, if you have not found a potential partner, you can send it to eeagrants@vlada.gov.sk and the Programme Operator will assist you in your search.

All partner requests must be sent **minimum three weeks before the deadline of the call** to be considered, but we encourage project promoters to start their search as early as possible, and to involve the potential partner in the project development. We also encourage project promoters to address potential partners directly.
